WHY FIRSTENERGY?

FirstEnergy has a wealth of benefits including health, vision and dental insurance, HSA, FSA, 401K, maternity and paternity leave, paid vacation and holidays, EAP, employee discounts and so much more!

Their employees' leadership, skills, diversity and character have helped them become a successful Fortune 300 company. And they are looking for more skilled workers who will contribute to our company's future success. Attend the session and see how you can be part of our next generation of electric utility professionals.

REGISTER NOW

Registration is required to attend. Session is in person at the Akron Urban League on April 25th from 6:00 – 8:00 pm.
